SAMUI  
THAILAND

# Coconut Beach, where Leisure

## The Resort

Coconut Beach Resort is one of Samui most natural hotels build in 1973 to accommodate backpacker visitors from bungalow style to a new hotel building in 2009. Coconut Beach Resort is a place to relax; it is a land of coconut. We keep the traditional coconut farm since 1950 as

my hotel garden. Coconut Beach Resort located at the most beautiful point of Lamai beach. Total area of the project is 16,000 square meters with 133meters beach front areas

## Accommodation

There are 44 luxurious rooms. The hotel rooms decorate with teak wood furniture. Contemporary thai style. The rooms are provided a private balcony and luxury bathroom, each room fully furnish with modern facility for maximizing the guest happiness.

The hotel's Thai structure and open-air lobby are designed to take advantage of the sea breezes. The view of coconut trees swaying in the rhythm of the wind
